

VILLA ROSA DESIGNS “LIBERTY” QUILT

FABRIC

6 Red Fat Quarters

9 White Fat Quarters

8 Blue Fat Eighths

PATTERN

[liberty – Villa Rosa Designs](#)

CUT

Match the required number of pieces below from the pattern to identify your fabrics as A – F. Use Alphabitties or other markers to identify your cut pieces.

A – Red 40

B – White 26

C – White 68

D – White 18

E – Blue 17

F – Blue 48

SEW

1. Mark a diagonal line across the back of all fabric E & F.
2. Sew a fabric C to each corner of all fabric E along the marked line, trimming excess fabric $\frac{1}{4}$ " from the seam and pressing open after each corner.
3. Repeat step 2, sewing the fabric F to the corners of 12 fabric D.
4. Assemble the units from steps 1-3 with the remaining fabric D to make the star section.
5. Sew fabric A pieces together end-to-end to make one long unit.
6. Sub-cut the fabric A unit into (see pattern for quantity and lengths), laying out as you go to ensure all seams are offset. Sew together into sets of two.
7. Repeat steps 5 & 6 with the fabric B. Sub-cut the unit into required quantities and lengths according to the pattern.
8. Assemble the stars and stripes together as shown. NOTE: If the quilt will be hung vertically, the blue stars should be in the flag's upper right corner of the quilt so you will need to sew the red/white stripes to the other side than is depicted in the pattern. See image below for proper placement of the blue field based on how the quilt will be hung.
